

Program for Children

Early in the worship service, our young people are invited to the front of the sanctuary for a special message before leaving for Sunday school classes, which meet weekly throughout the school year.

Our Faith Formation Team has added enough staff to support a Sunday School class on the first and third Sundays of each month for our preschool children! Children in grades 1-6 will continue to stay in church on the first Sunday of each month (when communion is served) and will attend class on the rest of the Sundays. How wonderful it is to see our Church School program growing with both young people and adults! It truly takes a village.... Thanks to our many volunteers!

Special Events

Our special events have included Christmas pageants, ice cream socials, parties to celebrate the birthday of the church on Pentecost Sunday, Easter egg hunts and worship services offered by youth.
